CBD Coffee and Tea

Our medium roast coffee is smooth and mild. Low in acidity, with cedar, butter and nutty undertones and a floral aroma. We exclusively work with organic hemp.

Our process allows for the particles to be broken down properly, achieving a higher absorption rate. This creates a more functional chill.

CBD Shots

CBD SHOTS 2oz

available in 25-50mg

With 25mg of high-quality CBD, it's the quickest way to restore balance and get on with your day. Our Shots offer the highest-quality hemp extract available, with each delivering 25mg of CBD per 2.5-ounce bottle. For a tasty supplement shot, try Watermelon or Raspberry Punch. Each is perfectly designed to bring balance to your day in the most convenient and refreshing way. If you're searching for a great night's sleep, our Peach Iced Tea flavor is what you're looking for. It carries 25mg of CBD goodness combined with melatonin to calm your mind and body so that you can get the rest you're looking for.
